SBA DECLARATION #10350 - WASHINGTON AG LOSSES

Small, non-farm businesses in the counties of Benewah, Latah and Nez Perce may apply for Economic Injury Disaster Loans to cover working capital needs. These loans are available to small businesses to offset the economic losses caused by reduced revenue from farmers and ranchers whose crop production suffered as a result of drought beginning January 1, 2005 and hail storm, which occurred September 9, 2005 in neighboring Washington. Physical damages are not covered by these loans. Agricultural enterprises are not eligible for these SBA loans. Nurseries that are victims of drought can apply.

Applications for economic injury loans must be returned to SBA by September 11, 2006.
